

ENDS AND TRENDS WITH KIM AND KAREN

Karen's Trend Alert: Turquoise necklaces are so eye-popping. I can't help but notice them when I'm shopping or seeing them worn by other fashionistas. I'm drawn to the bold color and how they truly make an outfit!

So, it should come as no surprise that this trend has made its appearance again this fall/winter season. That rich colored hue really stands out against an outfit – whether you're wearing all black or winter white. It's really a stunner!

If you can, find yourself a turquoise necklace that fits your style and rock it proudly! It will definitely become a staple and must-have accessory in your closet. Plus, you'll get plenty of compliments!
